SUMMARY

Computer Science Engineering student with strong interest in **software development** and **machine learning**.
Passionate about building **intelligent applications** and exploring **AI** and **full-stack technologies**.

EDUCATION

St. Joseph Engineering College

2022 – 2026

Bachelor of Engineering in Computer Science and Engineering — CGPA: 8.7

Mangalore, India

Vivekananda PU College

2021 – 2022

Pre-University Education — PCMC — Percentage: 90%

Puttur, India

PROJECTS

scribble-api 🐙

2025

React.js, Node.js, Express, MongoDB,

Developed a full-stack notes application using **React.js**, **Node.js**, **Express**, and **MongoDB** for creating, managing, and sharing digital notes. Implemented a secure **RESTful API** supporting CRUD operations with real-time synchronization between client and server. Designed a responsive and user-friendly interface enabling users to write, edit, and search notes efficiently.

PathPilot – Career Guidance Platform 🐙

2025

Next.js, Prisma, NeonDB, Clerk, Gemini API

Created an AI-powered platform that helps users get personalized career suggestions based on their interests and inputs by integrating the **Gemini API** for intelligent recommendations. Built the frontend with **Next.js** and implemented secure user authentication using **Clerk** with **Prisma + NeonDB** for backend database management.

Employee Database Management System 🐙

2023

Java, Swing, MySQL

Developed a desktop application to manage employee records including ID, department, and salary information using **Java Swing** for the graphical user interface. Implemented comprehensive CRUD operations with proper data validation and connected with **MySQL** database for persistent data storage.

TECHNICAL SKILLS

Languages: Python, Java, SQL, MongoDB, PostgreSQL

Developer Tools: VS Code, Android Studio, IntelliJ, Eclipse

Technologies/Frameworks: GitHub, React, NodeJS, ExpressJS, Git

CERTIFICATIONS

Introduction to Data Science – Cisco (2024)

Java Programming Course – Coursera (2023)

Machine Learning – AcmeGrade (2024)

EXTRACURRICULAR

IEEE Member (2024–2025)
